Stephan Hüsing becomes managing director of Pollrich DLK International

Since September 1st, 2012, Stephan Hüsing is managing director of Pollrich DLK Carpark & Tunnel International B.V. in Rotterdam.

Founded in 2011, the sales company of the group Pollrich DLK Fan Factories concentrates on the international business with tunnel fans and car park systems.

Before, Mr Hüsing has been in charge for 2 years as sales manager tunnel/car park for DLK Ventilatoren GmbH in Germany. His long lasting professional experience and his extensive knowledge of markets and products will certainly give additional impetus for the group.

With technically- and cost-optimised new product developments as the centrifugal jetfan, the axial jetfan and the tunnel jetfan, Pollrich DLK International will set new standards in the market as system supplier.

With the trademark Pollrich DLK Fan Factories, the companies Pollrich Ventilatoren GmbH and DLK Ventilatoren GmbH offer the widest product range on the fan market: Centrifugal fans, axial fans, plug fans, jetfans and smoke extraction fans. Pollrich DLK Fan Factories combines more than 140 years experience of both companies in industrial fan manufacturing.
