

Press release

Pollrich DLK Fan Factories continues to extend international sales

Since September 2011 Ventium Ltd is marketing the product range of the group Pollrich DLK Fan Factories for the market segments car park and tunnel in the UK. Ventium has specialised on smoke extraction and CO-control of car parks since many years and provides complete system solutions by Pollrich DLK Fan Factories. The business activities cover the professional support in all project phases – from conceptual design with optional CFD-analysis to delivery of fans and components, installation and acceptance test of the complete system.
